DAY TWO~

- Today is a great day to enjoy a trip along the beautiful shores of Lake Superior. Travel along Scenic Hwy 61, taking your first stop at Brighton Beach (Kitchi Gami Park). Of Duluth's shorelines, this is one of the most rugged (and one of our favorites) with large boulders resting against the shore while waves crash against them; with the Aerial Lift Bridge off in the distance.
- Travel leisurely and take to time to pull into some of the viewing spots along the way up to Two Harbors. Once in Two Harbors, check out the waterfront, and some of the unique shops downtown.
- Continuing your travels along Scenic Hwy 61, you will come to Gooseberry Falls State Park. Stop in at the Joseph N. Alexander Visitor Center; then take some time to enjoy the many trails, waterfalls, and a forest of evergreens, aspens, and birch.
- Just past Gooseberry Falls you'll find the spectacular Split Rock Lighthouse and Split Rock Lighthouse State Park. Depending upon the time of your visit, the lighthouse may not be open for tours, but you can visit the grounds and enjoy the trails along Lake Superior's shoreline. There's more extraordinary beauty as you travel along the North Shore that can take you all the way to Thunder Bay, Ontario, Canada if you desire.
- On your return to the A G Thomson House, along the Scenic North Shore, enjoy dining at the New Scenic Café. One of Duluth's finest gourmet restaurants and an incredible dining experience. You will savor delightful food, and enjoy a relaxing environment to unwind after a busy day.

DAY THREE~
