

## WINTER ITINERARY

### DAY ONE~

- After a warm, sumptuous breakfast, today is the day to hit the slopes! You'll find great slopes at [Spirit Mountain](#) just minutes away, or [Mont du Lac](#) in Superior, WI!
- After, or during, your ski adventure at Spirit Mountain, take a ride on the new [Timber Twister](#), the year round alpine coaster with spectacular views! There is nothing like it in the Midwest!
- After enjoying your time on the slopes, come inside and warm up [At Sara's Table/Chester Creek Café](#) for a delicious meal or cup of hot chocolate!
- Tonight the kid at heart comes alive as you head down to Canal Park and take in the magic of the season with the fantastic light display at the [Bentleyville Tour of Lights](#)! Cookies, hot chocolate, and a great way to spend an evening!
- Head back to the AG Thomson House, fill up that [whirlpool](#), pop in a movie, and relax after a great winter day in Duluth!

### DAY TWO~

So you are not a downhill skier, but a Nordic skier...do we have the trails for you! Duluth's parks and cross country ski trails are simply fantastic!

- [SkinnySki](#) is a website dedicated to keeping up with the conditions of our trails and a great resource for choosing one. One of our personal favorites is the [Lester Park Trail](#) located just east of us off Superior Street. It's one of our most beautiful city parks, and well maintained trails. Other favorites include [Chester Bowl](#), [Hartley Park](#), and the [Snowflake Nordic Ski Center](#).
- After enjoying an invigorating time on the trail, stop in at the [New London Café](#); a quaint, hometown café located in Duluth's east end neighborhood of [Lakeside](#). After lunch, enjoy some of the unique shops this charming neighborhood has to offer. My absolute favorite is [Serendipity](#); stop in and say hello to Gayle and tell her the A G Thomson House sent you there!
- Wind down your day and return to the Inn having enjoyed another beautiful winter day in Duluth. Enjoy another soak in your whirlpool or deep soaking clawfoot tub, a glass of wine, hot chocolate, tea or cider and some fresh baked chocolate chip cookies. Aaahhh! Tonight is the perfect night to grab a movie or two from our collection of over 500 DVD's, order pizza from [Pizza Luce](#), or call the [FoodDudesDelivery.com](#) and order from a few of the restaurants participating; then snuggle in for a cozy, warm and toasty night!

### DAY THREE~

Today is the day you will do your holiday shopping!! You already made it to Serendipity, so now it's off to more of Duluth's unique shops and antique stores.

- After another incredible breakfast to fuel you, begin your shopping at the [Fitger's Brewery Complex](#), where you'll find some wonderful shops – inside where it's warm and cozy! You'll start your day here, and later on, end your day here; I'll tell you more later!
- Now continue heading east on Superior Street and stop at [Old Town Antiques](#), [Lake Superior Art Glass](#), and more!
- The Canal Park District is just a hop and skip and a jump where you will find more treasures at the [DeWitt Seitz Marketplace](#), [Waters of Superior](#), [Father Time Antiques](#), [Duluth Pack](#), and so much more!
- You're sure to find treasures for everyone on your list, and you are sure to be hungry, so stop in at [Amazing Grace Bakery and Cafe](#), [Bellisio's](#) or [Grandma's Bar and Grill](#) for a delicious meal!
- With packages in hand, head home to the A G Thomson House and recuperate from your excursion with a warm cup of hot chocolate, nestle in one of our comfortable sofas or chairs in the living room in front of the fireplace, and unwind!
- Tonight you are going to become a kid again, and take the [Christmas City Train](#). Enjoy a lovely and relaxing dinner at [Midi's Restaurant](#) on the lower level of the [Fitger's Brewery Complex](#); then hop aboard the Polar Express.
- Returning to the complex after reliving your childhood on the Polar Express, enjoy a night cap at the [Red Star Lounge](#) to top off another fun-filled day in our lovely city!
